Compatible Chord progressions in the Key of C**

Neat little chord progressions you can mix and match to make up your own songs.

Try playing the progressions one chord to each beat of a 4 beat bar, then switch to another progression in this series to add a bit of variety for different verses or choruses.

1. C Am F G
2. C D F C
3. Dm G C Am
4. C E7 Am F
5. Dm Am G D
6. G C F G
7. C E7 F G
8. F G C C7

Try humming along with your new creation.
