

Giddy (KaraUkey G,C,D) - Henk Brent  
[G] [C] [D] [G] [G]

[G] There's a patch of dirt down under, a [C] place that's full of wonder, with  
[D] sun drenched beaches good looking birds mountain tops and [G] thunder  
a place the ANZACS fought for in their [C] larrikin aussie way  
A [D] place that's full of people who greet you with Gid [G] day

Giddy means how ya going, [C] Giddy means hello  
Gid [D] day means come and join us mate, come and have a [G] go  
It's a style of friendly greeting we [C] Aussies learn to say  
It's [D] how we make you feel at home when you come down our [G] way

Giddy means how ya going, [C] Giddy does mean hello  
It [D] also means we're here today, we've come to have a [G] go  
It's still a friendly greeting we [C] Aussies like to say  
but it can [D] sound a note of warning when we turn up to [G] play

Now Dawn just might have said it [C] as she came to start a race  
or [D] Cahill as he thumped a ball right across the [G] face  
or Lillee at the end of his run as a [C] style of friendly banter  
or Black [D] Caviar as she shot past in a blinding Aussie [G] canter

Giddy means how ya going, [C] Giddy means hello  
Gid [D] day means come and join us mate, come and have a [G] go  
It's a style of friendly greeting we [C] Aussies learn to say  
It's the [D] word that Macca will teach you when you come down our [G] way

If you come to see us, you'll [C] have to learn the slang  
a [D] cracker is a big red thing that goes off with a [G] bang  
See ya is ta ta goodbye I [C] gotta be on my way  
and [D] pull up a stump means take a seat you're welcome to [G] stay

Fair dinkum and ridgy didge mean [C] we're not having you on  
no [D] kidding mate it's true what I say See ya later [G] Ron  
Now who is Ron you may well ask I [C] never really knew  
I [D] met one once he had red hair and we all called him [G] Blue

Giddy means how ya going, [C] Giddy means hello  
Gid [D] day means come and join us mate, come and have a [G] go  
It's a style of friendly greeting we [C] Aussies learn to say  
It's [D] the word you'll have to learn when you come down our [G] way

Hughesy on the Project mighta [C] said it now and then  
and [D] Kitty likes to spin a yarn when she is sitting [G] in  
Bonzer mate and crikey, you're [C] getting serious now  
Oh [D] Geez what a whopper mate holy bloody [G] cow

Another way to say Giddy is [C] with a Ukulele  
It [D] makes more noise than a didgeridoo and it's easier to [G] carry  
Goats Can Eat Anything it [C] doesn't even rhyme  
But [D] when you mess with ukes a lot you say it all the [G] time

So play that ukulele you [C] know you can't go wrong  
a [D] uke will do a power of good for almost any [G] song  
Its a bonzer litle instrument that's [C] sure to match your style  
And [D] if you have a heap of woes you'll forget them for a [G] while
