

Wistful (KaraUkey G,G7,D,C,C7) Henk Brent
[G] [G] [G] [D] [D] [D] [D] [G]

[G] Do I ever get lonely Do I ever get [D] blue
Do I ever get wistful thinking of [G] you
I replay the moments again and [D] again
And think what I'd do now and what I did [G] then

[G] But time travels forward there is no re [D] turn
No matter the feelings or how much you [G] yearn
And there is no place, There's nowhere to [D] go
Nothing to change, 'cause of what you now [G] know

Still I travel that [C] road, [C7] the road in my [G] dreams
And I dwell on the [D] things that might have [G] been
[G7] But there is [C] no place There's nowhere to [G] go
Nothing to [D] change, 'cause of what you now [G] know

[G] So yes I get wistful, and hey I get [D] blue,
And tears often well up, when I'm thinking off [G] you

But time travels [C] for [C7] ward there is no re [G] turn
No matter the [D] feelings or how the tears [G] burn
[G7] And yes there is [C] no place [C7] There's nowhere to [G] go
Where you can [D] change 'cause of what you now [G] know.

[G] Do I ever get [C] lonely [C7] Do I ever get [G] blue
Do I ever get [D] wistful thinking of [G] you
[G7] I replay the [C] moments again and [G] again
And think what I'd [D] do now and what I did [G] then

But time travels [C] for [C7] ward there is no re [G] turn
No matter the [D] feelings or how the tears [G] burn
[G7] And yes there is [C] no place [C7] There's nowhere to [G] go
Where you can [D] change 'cause of what you now [G] know.
Nothing to [D] change 'cause of what you now [G] know. [G] [G] [G!]
